

STAY FOG

Fogging Enhancer

Net Contents: 1 gal. (3.79 L)

DESCRIPTION

Fogging Enhancer

DIRECTIONS FOR USE

This product can be applied through foaming apparatus, low-pressure sprayers and fogging (wet misting) systems. Follow manufacturers' instructions when using this equipment.

Consult your Neogen Corporation representative for dilution and application recommendations appropriate for your specific needs.

DIRECTIONS

For use in fogging other liquids and emulsifiable concentrates: Add product based on the following recommendations:

- A. For heavy fog (suspension 1 - 3 hours) use 25 - 35 oz. per U.S. gallon of solution.
- B. For medium fog (20 - 30 minutes) use 15 - 20 oz. per U.S. gallon of solution.
- C. For light fogging and improved visibility use 5 - 10 oz. per U.S. gallon of solution.

HAZARD STATEMENTS

This product does not meet the criteria for a hazardous substance according to 29 CFR §1910.1200 and presents no significant physical or health hazard to humans, animals, or the environment.

PRECAUTIONARY STATEMENTS

Prevention:

Wash hands thoroughly after handling.
Do not eat, drink, or smoke while using this product.

While this product may not present any significant hazard to humans, animals, or the environment, good chemical hygiene is the most effective way to avoid unnecessary risk.

Response:

Collect spillage.

For specific treatment, refer to Section 4 of the product Safety Data Sheet (SDS).

STORAGE AND DISPOSAL

Storage: Store in original, tightly closed container. Keep out of reach of children and pets.

Disposal: Dispose of contents/container in accordance with local ordinances.
